

NETHERLANDS TRIP

EUROVELO 19 - RIVER MAAS (MEUSE)

HOLLAND'S ONLINE CYCLE ROUTE PLANNER

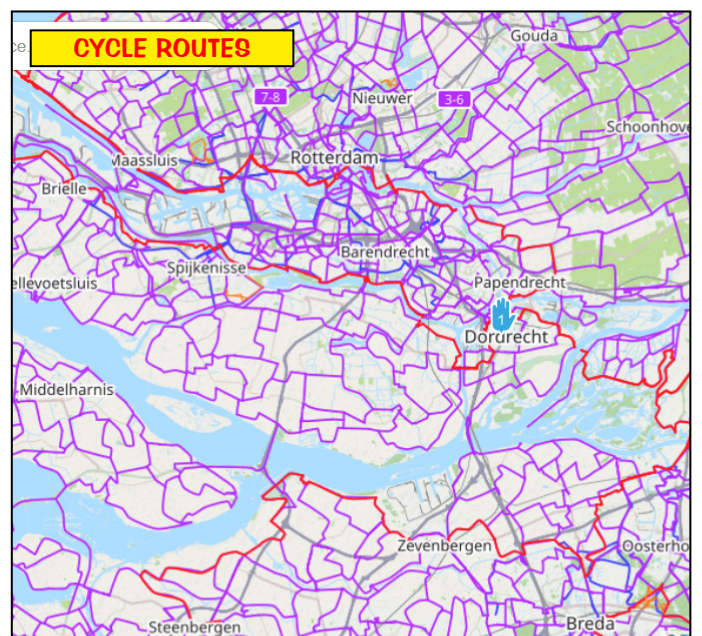

The best known online cycle route planner is based on the national LF route network and connecting regional junction networks. Besides cycle routes, the route planner also provides information about points of interest, such as picnic benches and accommodation. It also lists all places with the Fietzers Welkom! (Cyclists Welcome!) label, cycle-friendly places to eat, drink and stay.

HOLLAND'S NETWORK OF CYCLE ROUTES

The network of cycle tracks in the Netherlands is available online and via many cycling or navigation apps. GPX file for each days cycling will be provided for each day of our trip plus a route description.
